

# Doro 8050 PLUS

## The simply easy smartphone featuring an intuitive interface

Always dependable. Always there. The Doro 8050 is the smartphone seniors can always rely on to make staying in touch with family and friends simple. It is durably designed to take a few bumps without breaking. It also features an intuitive interface with Eva and Google Assistant, an unbeatable team for simplifying everything the user wants to do. Eva is Doro's whole new software designed to show greater understanding for the user, and is especially helpful for anyone who is new to Android. The Doro 8050 also offers loud and clear sound, as well as an excellent visual experience. And Doro's signature assistance button means help is always within reach, providing peace of mind for both the user and their relatives.

- **Easy to use with intuitive interface and Google Assistant**
- **Assistance button for alerting relatives if you need help**
- **Loud and clear for best sound quality**
